Manish Kalia(The Rock) commits to the dark lord Anubis , as to the reason I have to work for those satisfying the (Anubis) crieteria , as well as possibly other commits like this in history of mankind, thats why i work for these five (Devil, Destitute, Beggar(orphan), Eunuch, Small Fraudster) only part time coz these satisfy only Shaitan Crieteria, while there are others like zombies(Resident Evil, Go\_Goa\_Gone etc) , Ghosts , Bhoots , Genies etc. (and also mortor kombat captured souls/Elves captured in Asura fight and Asuras as well), souls lost in space flights(like the liaka dog story-mir zaya)

type of negative charecters for which i need to work using all my time , so for shaitans alone it's specifically part-time only.

Means wo Taj Hair Dresser, 37 ke saamne waala chicken shop waala keh raha tha ke pakde bhi tune hi they pehle blacklist kar ke, par Football waala pankaj aur Mogli bol rahe they ke jahan fanse hote hain us time nikalne sabse pehle tu hi aata hai , ek saal baad(next day of dream) par gurtej sir ne exact bataya tha ke tu nikaalta hai , pakadta doosra hai jisne maanga hota hai blacklist karte time command ka right....

Barber's Queue Program Crash

October 2021 - October 2021 (1 month)

Burtela, near Sector 41, Chandigarh

Nipun Kwatra and Shekhar Dutt are the only Nai Title Claimers in this whole world coz they don't know how to use "ustra". Both can easily try to opt for a smaller title like chotta kshtri / tonk Khatri as all others know how to use ustra and are even trying talwars also while some further know to use talwaar etc and even higher strength weapons. One movie "Murder" was a probable parody on these two however it had different actors for the only reason that in media only "Bhagat Singh" is allowed , as to the reason they couldn't star in that movie.

I had made Barber's Queue program in CS-130 Course, and it had a linked list riding over a 500 length array as to the reason why that program could crash if their shop had a customer number of greater than 500 at any time, probably

that's how I reached here(England) after that program probably had crashed in India.

I had submitted that program to TA (Rohit Khandelwal) while i had discussed it with Rajesh Bharatiya while wriing it. I got 7/10 in that program check.

They were asking for an 8 Queen Problem while i was not aware of any such thing so had to copy that code from Internet. Got 3/10 however. One Salman/ Shahrukh/Ripsy were playing that with Sonia/Khem group at GMCH 32 while we had submitted our wooden chess there and king sometimes appeared sometimes didn't while we had asked sonia to buy it.

The full trail from Shekhar Dutt to Nipun Kwatra had contracted AIDS(diagonosed HIV+ve) as they were having sex with a holy cow in Maatrubhoomi movie and were consequently being my gay partner. Another parody appeared with them being actual persons in the jo jeeta wahi sikandar Gypsy scene(Pawan Bansal(B-Section) fantasy scene wtih Kiranjot ), The scene was looking funny as kj was appearing taller than the hero , thense. Pankaj Sood however said that my another classmate Kunal has aids(mbd question finding fame). Kunal was Keli's brother. She was mayuri kongo probably. Sad ending of Barbie Love Story , I have shifted to Cindy.
